Good morning and welcome to worship! We are so thankful that you are here. May this be a time of great encouragement to each of us as we praise the Lord of Lords and King of Kings - the resurrected Son of Jehovah - God and creator of all there is. There is life beyond the grave! May be live our lives for the ONE with the power to save!

I Have a Living Hope

John Maxwell tells about a small town in Maine that was proposed for the site of a great hydroelectric plant. A dam would be built across the river and the town submerged. When the project was announced, the people were given many months to arrange their affairs and relocate.

During those months, a curious thing happened. All improvements ceased. Day by day the whole town got shabbier and shabbier. A long time before the waters came, the town looked uncared for and abandoned, even though the people had not yet moved away. One citizen explained: "Where there is no hope in the future, there is no power in the present."

That town was cursed with hopelessness because it had no future. Now spiritually speaking suppose I said there was no heaven, no resurrection from the dead, no Bible, no church, no Christ or no God. How would we view life? Would we still look forward to the future? Probably not, "Where there is no hope in the future, there is no power in the present."But Christ is real, the Bible is the word of God, there is a heaven, God is alive, and the church is here; this makes all the difference. We have a living hope (1 Pt. 1:3).

Where there is hope in Christ, there is a future, and Christ's hope gives us the power to live for Him in the present. -BD.M. Tonkery

May God bless each of us to be a blessing to others! May we live lives that reflect our commitment to the risen Lord.
