## GOOD MORNING & WELCOME !!!

Let me be the first to say thank you for being here today. Your presence here tells me a few things about you. First of all, there is a place in your heart that knows there is a GOD and you understand and long to worship HIM. Secondly, you recognize the importance of that worship in your relationships: your relationship to GOD, your relationships in your family, and your relationships with others. Finally, it demonstrates a desire to learn more about GOD and how we are to love and follow HIM.

SHARE & SERVE - On the back wall is our new, ONE ANOTHER board. This is a place to share things that are on your heart (needs, pray requests, struggles). Our hope is that through this space those things that you carry may be lightened as your family comes alongside to "bear one another's burdens" and "so fulfill the law of Christ." So today, consider the heavy thing you are carrying, take a card, and share it (include your phone #). It could be a task you need help with, a prayer request, a financial burden, or a spiritual battle.

Thank You - Thank You - Thank You for another amazing 'Trunk or Treat' community outreach night this week. WOW! Sid - the burgers were the best yet - cars & costumes continue to TOP expectations - you all are AMAZING. Our friends from the community came out and provided us a great opportunity to introduce them to God's Forever Family. Again, thank you for being here this morning. I look forward to our time of worship together. - Chuck
