Welcome to 2025 and to an opportunity to embrace God's will for your life like never before in your life. Will you take that opportunity? Will you STRETCH in the direction of the Holy God who was willing to give His Only Son to save you? Of course, every one of us has struggles but HE will give you the strength to become the person HE created you to be. Sin may have brought confusion, guilt, and shame into your life, but in the same way God delivers us the DOOR (John 10:9) to a redeemed and transformed life.

This year, let's begin with a daily commitment to spending time with God in HIS WORD. There are many great ways to help you in this commitment. The Bible App has many great ways to read - to listen - to learn more of what God wants you be. LISTEN TO HIM. Next commit time to talking daily to him. May your life be filled with the light of PRAYER.

Finally may we seek to LOVE GOD and LOVE OTHERS like never before and bring more of

God's will and and reign here on Earth more than ever.

Today we begin a study of the Gospel of Matthew. Our purpose is to learn more fully about the God we serve and the Savior who came to rescue us. May our studies together better equip us to "Walk with Jesus" throughout our lives. One day this life will be over and our steps will cease. May we walk in such a way as to hear the words of our God say "well done good and faithful servant." - Chuck
