### GOOD MORNING SPRING MEADOWS!

It is so good to see you this morning. What a blessing it is for us to live in a free country where we are able to gather together without fear and worship our God. To those who are visiting, we are so thankful that you have come. I hope that you will allow us to meet and get to know you. Please fill out one of our visitors cards and let us know where you are from.

This past week, I was part of a service where an old song was sung that I hadn't thought of in years. The lyrics though simple are ones that we need to oft be remind of:

God has smiled on me,  
He has set me free.  
God has smiled on me,  
He's been good to me.

Dark clouds rolled away.  
Sun shines down on me.  
God has smiled on me,  
He's been good to me.

Family, we serve a great and good God. Sin has brought so much pain and suffering into our world. Evil brings pain through hands that were born innocent and yet disciplined by the darkness. Please pray for our friends in Antioch following this weeks tragedy. Please continue to pray for the people of California and as the snow has fallen on the southern coast, pray that rains may fall and extinguish the fires. You may be in the midst of the fires but as Isaiah wrote, "Do not fear, for I have redeemed you; I have called you by name; you are mine. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the Lord your God, the Holy One of Israel, your Savior - Isa.43:1-3
